Address Change

To change the railroad company's address, check the *Change of Address* box on the front of this return. Draw a line through the incorrect information and clearly print the new information.

Rounding Off to Whole Dollars

You must round off cents to the nearest whole dollar on your return and schedules. Round down to the next lowest dollar all amounts that include 1 through 49 cents. Round up to the next highest dollar all amounts that include 50 through 99 cents.

However, if you need to add two or more amounts to compute the amount to enter on a line, include cents and round off only the total.

Example: Add two amounts (\$1.29 + \$3.21) to compute the total (\$4.50) to enter on a line. Round \$4.50 to \$5.00 and enter \$5.00 on the line.

If you do not round, DRS will disregard the cents.
